Questions des lecteurs du Mauricien

Me Akil Bissessur arrêté pour avoir diffusé la photo d'un policier en ligne

- Little by little, on step at a time, the Police State is taking more and more space.
- Good. People cannot take pictures of others and put on social media. If a wrong has been done, the proper way of handling it should be worked out.
- I agree that posting photo on social media is wrong. However, it's solid evidence in the case given. All CCTV cameras often do not work, or the footage just disappear.
- Evidence: you give it to the officers handling the

case and present in court, not in PUBLIC.

- Normally, but can you trust these officers or their boss?
- Pendant ce temps, les honnêtes gens vivent dans l'angoisse et la peur parce que cette police ne peut rien faire pour eux.
- Pourquoi les policiers peuvent publier des photos de personnes recherchées pour crime, alors qu'un avocat n'a pas le droit de publier une photo d'un policier qui fait de l'abus de pouvoir et use de violences envers une personne pour le retrouver?
- De mieux en mieux. Maurice, c'est un plaisir. En tête sur toutes les (mauvaises) listes. Shame on

him!

- Should start implementing the law and take severe remedial actions against faultiest.
- Kot nou pe ale dan pei-la ? Nepli kone ki pou dir. Bondie ki pou dress zot. Zot zour pe konte aster.

- Par l'abus de pouvoirs, la police va gagner son affaire, comme d'habitude. Me lepp antie kone ki lapolis finn souvan fane... Fer gayn laont de nou demokrasie.
- Là, C'EST TROP les gars ! Ce gouvernement fait honte au peuple mauricien.

- Lapolis pe fer komik, Pinok ! To pa pe fer lapopilation gayn per twa, to pe fer dimounn pli degoute ankor. Twa, bar 60-0, to pou perdi eleksyon.
- C'est la seule façon de trouver le nom du policier. Si pass lakour, tro de tan pou enn judge order.
- Pe fer zafer legal vinn ilegal dan sa pei-la.
- Est-ce que la police n'a pas d'autres chats à fouetter ? Lot la kapav li pe amenn label vi.

COMMUNIQUE

MINISTRY OF HEALTH AND WELLNESS

Implementation of Online Platform for Control of Dangerous Drugs

The Commission of Enquiry on Drug Trafficking has, among others, recommended that all importers, distributors and pharmacists be connected to a central data base system wherein all transactions relating to the controlled drugs listed under the Dangerous Drugs Act will be fed, upon instructions of the Pharmacy Board.

In this respect the Ministry of Health and Wellness, in collaboration with the Mauritius Revenue Authority has developed a web-based application for the proper control of precursors and dangerous drugs.

The Ministry of Health and Wellness is in the process of implementing the online platform for the control of dangerous drugs listed under Schedules II, III and IV of the Dangerous Drugs Act 2000 along the supply chain, under the following conditions:

1. This measure will apply to all companies importing and trading in Mauritius in dangerous drugs listed under Schedules II, III and IV of the Dangerous Drugs Act 2000.
2. All the stakeholders mentioned above are required to feed the online system of all transactions relating to the controlled item on a daily basis.
3. A licensee under the Pharmacy Act is required to register or delegate one person to register on the online platform of the Mauritius Revenue Authority (MRA) website (URL: <https://eservices16.mra.mu/OMP/Login.jsp>), by selecting "Online Control of Dangerous Drugs" and follow the instructions manual for guidance according to the field of operation. A registration process will be required prior to accessing the platform.
4. Other persons, authorized by the licensee may also register but only the first person registering (licensee) is required to input the inventory.
5. Wholesalers are required to confirm sales of Dangerous Drugs only after receipt of signed invoice from the retail pharmacist.
6. The online monitoring will be implemented as from 1 June 2022.
7. The Acting Director, Pharmaceutical Services or the Registrar, Pharmacy Board, Ministry of Health and Wellness may be contacted for any query at the following address: Room No 823, 8th Floor, Emmanuel Anquetil Building Port-Louis, Telephone No. 201-1334 or 201-1406; Email: jbohoorn@govmu.org and amangatha@govmu.org.
